

The South Jersey chapter of the National Association of Women Business Owners actively seeks speakers on a wide variety of topics that are of interest to our members. For this upcoming year, NAWBO® SJ members have asked to hear about:

- Stress Management
- Life Balance
- Time Management
- Selling skills
- Technology
- Presentation Skills
- Marketing Your Business
- Women's Health
- Prospecting/Networking
- Motivation
- Communication
- Leadership
- Procurement
- Public Policy/State Legislation

Our audiences consist primarily of women business owners throughout the South Jersey area and are open to both afternoon and evening event timeframes. Our members share many common entrepreneurial traits, such as being pressed for time, multi-tasking, thirsty to improve themselves and their businesses. For that reason, we make every effort to ensure that their time is well spent and that our speakers provide the best possible experience for our membership. NAWBO SJ meetings are intended to provide opportunities to network, prospect, build business, educate and promote growth, without being pressured or "sold" on products or services.

If interested in submitting a Request for Presentation (RFP) and are prepared to address one of the topics listed above, please respond with the information requested below. [\[Electronic files are appreciated.\]](#)
